"Al Settimo Cielo" Restaurant (from march to October)

The "Al Settimo Cielo" (Seventh Heaven) Restaurant affords the finest view of Taormina, from the Greek Theatre to the Parco Duca di Cesarò and from the Ionian Coast to Mount Etna, as well as an all-round view of the town: here you can enjoy a buffet breakfast as well as delicious Sicilian and International dishes, lovingly prepared by our Chefs; there is also a broad selection of Regional wines.

How to get here

Take the "A18" motorway in the direction of Messina, exit at Taormina, follow "Taormina Centro", arrive at "Lumbi" car park through the tunnel in the direction "Porta Catania", continue to go up for another 300 metres until the square, between the post office and the "Banca Popolare di Ragusa" take a right turn on Via Roma and follow this for about 800 metres until you reach the hotel. It is advisable to park in the public square in front and contact our staff.

An important note on GPS systems

Gps: N. 37.85160° - E. 15.2884

GPS systems often calculate an incorrect route upon arrival at Taormina; when you reach the "Lumbi" carpark your GPS may tell you to turn left, when in fact you should take the tunnel facing you. This is why we suggest you follow our instructions

Parking information:

Free parking by the hotel (only 3 parking spaces are not bookable); or extra charge from 15,00 euro per day, at the Garage 150 metres from the hotel. 50 % of discount at the public park: Porta Catania and Lumbi.
